Re: FOIA No. 2013-212

Dear Ms. Goode:

On March 12, 2013, the Federal Communications Commission ("Commission" or "FCC") received a Freedom of Information Act ("FOIA") request from Mr. Michael Morisy on behalf of MuckRock News for a copy of the Commission's contracts with Booz Allen Hamilton over the past 5 years, which includes any modifications as well as task or delivery orders.¹ Upon reviewing our files, we have identified several contracts entered between the Commission and Booz Allen during this time period, specifically: Contract Nos. FCC12G0057, PUR11000257, FCC10G0007 and PUR10000417.

Section 0.461(d)(3) of the Commission's rules states that "[i]f the request is for materials submitted to the Commission by third parties and not open to routine public inspection . . . [t]he submitter or submitters will be given ten calendar days to respond to the FOIA request." *See* 47 C.F.R. § 0.461(d)(3). Thus, pursuant to 47 C.F.R. 0.461(d)(3) of the Commission's rules, you may file a response to this FOIA request (or inform us that you will not be responding) by April 22, 2013, explaining why any portions of these records are confidential commercial information that should be withheld pursuant to FOIA Exemption 4, 5 U.S.C. § 552(b)(4). Pursuant to this rule, any objections to disclosure must be set forth in a "detailed written statement specifying all grounds for withholding any portion of the information." Moreover, please note that the rule requires that this response be served on the party seeking to inspect the records. *See* 47 C.F.R. 0.461(d)(3). Mr. Morisy may file a reply (or inform us he is not) within ten business days of receipt of the response. After we receive all responses, we will issue a decision on Mr. Morisy's FOIA request.

¹ Email from Michael Morisy to FOIA@fcc.gov (March 12, 2013) ("FOIA request").
